AUTHORIZATION

If you do not have personal health insurance OR you do not want TLC Physical Therapy to file claims to your personal health insurance, please read and sign below:
I have asked TLC Physical Therapy to NOT file claims to my personal health insurance carrier. If I decide at a later date to have TLC Physical Therapy send claims to my personal health insurance carrier, I understand TLC Physical Therapy will only do so at its discretion because possible contract obligations, pre-certifications, etc., may not have been performed, which would prohibit the likelihood of benefit coverage of my services. I understand and accept responsibility for full payment of any and all services provided.

Please fill out the Accidental Injury Questionnaire (page 2) for the physical therapy care being the result of an injury related to a Motor Vehicle Accident or a Personal Injury Accident.

NEW PATIENT PAPERWORK – MVA/PINJ

If you are filing your claims with your group health plan, it may have a reimbursement provision for claims resulting from an act or omission of a third party. The term "Third Party"can be a person, business, or other entity. In most cases, the third party has insurance to cover your claims. The medical expenses that your group health plan pays, which are also paid by the third-party insurance, may need to be reimbursed to your group health plan.

I hereby authorize any third party or insurer to reimburse my group health plan for benefit payments made on my behalf as a result of this accident involving myself and/or my dependents. The above answers are true to the best of my knowledge. I understand that I am fully responsible for any balance for services rendered. I also understand that if payment is denied by the above-mentioned parties, I will be personally responsible for the full amount charged for all services rendered.
